EXPERIENCE

Pengembang Front-End Web dan Back-End

August 2022 to December 2022 (4 months)

I am participating in the Certified Independent Study (SIB) by Dicoding, Batch 3, and I have chosen the Front-End Web and Back-End Developer packages. In this program, I am learning the JavaScript programming language.

FullStack Web Developer

August 2023 to December 2023 (4 months)

I am received a scholarship for the Job-Ready Coding Bootcamp, which is a collaboration between YCAB and Skilvul. In this program, I am learning full-stack web development with the JavaScript programming language.

ACHIEVEMENT

- Selected as the best capstone project in the SIB Dicoding X Kampus Merdeka Batch 3 program with the title 'Growth Familie'.

- Recipient of the 2023 Youth Digital Acceleration Scholarship.
